more to follow

Tuesday 22 - Thursday 24 September 2009 • Seamill Hydro, Seamill, Ayrshire

During the 3 days of this conference we will be bringing together a unique group of thinkers and 'doers' to create a learning community. There will be daily keynote presentations, workshops led by the presenters and facilitators and time in the evenings for reflection, networking and more learning.

The Scottish Inclusion Institute is being organised by Inspiring Inclusion.

Inspiring Inclusion wants to inspire, support and challenge you to live and work in ways that make it more likely that the people we care about and support will live rich and full lives and have their contribution welcomed and valued. We do this by providing events, training, planning and consultancy for organisations, communities and individuals.

costs

The cost for the 3 days is £350 per person including tea, coffee and lunch. Some reduced rate places are available at £110 for individuals, family members and unwaged people. Please contact Jaynie to discuss.

Participants requiring overnight accommodation should make their own arrangements. A reduced rate of £67 per person per night bed and breakfast has been agreed with the Seamill Hydro.

booking
